The Val Saint Lambert glassworks is a renowned Belgian crystal manufacturer established in 1826 in Seraing, near Liège. Known for its high-quality craftsmanship and artistry, Val Saint Lambert produced all manner of exquisite crystal glassware, including vases, bowls, drinking glasses, chandeliers and other decorative items. Its designs often combine traditional techniques with innovative styles, making it a highly regarded brand in the world of luxury glassware. The double-overlay technique, where layers of coloured and clear glass are combined, became the company's signature style.
